Dear Dr Phillips

I refer to application number 4169 from HSE Dublin and South East Region submitted on 11 June 2024 and related documentation. This is a Direct Replacement post. This letter supersedes the previous letter issued on 2 December 2011.

The Health Service Executive has approved the appointment of a:

CONSULTANT GENERAL PHYSICIAN

This is an appointment to HSE Dublin and South East Region on a Public Only Consultants' Contract 2023 by the Health Service Executive. The initial commitment for this post will be to University Hospital Waterford for 37 hours per week. This post may be subject to restructuring in the future to facilitate the reorganisation of acute services in line with new clinical models of acute and community services. It is noted that the post must be congruent with the requirements of, and facilitate implementation of national health policy, the HSE's National Clinical Programmes including commitment to deliver the relevant performance outcomes.

The normal duties for the post are as outlined in the Approved Consultant Appointment document. These duties and those other commitments assigned by the Clinical Director / Employer will be reflected in the Consultant's Work Schedule which is expected that the Consultant will implement in a flexible way in line with operational needs. (A copy of the job description and indicative work schedule must be made available to all applicants).

If a significant change to this post is contemplated e.g. location, structure, title etc., prior consideration by the CAAC (Consultant Applications Advisory Committee) and approval by the Health Service Executive is required.

- That normal recruitment procedures for the filling of consultant posts are applied.
- That there are no additional non-consultant hospital doctor posts attached.
- This post must be advertised as being open to applicants who wish to work on a flexible or part-time basis and may – subject to preference of the successful applicant(s) and the decision of the employer – be filled on that basis.

The following qualifications shall apply to this appointment:-

1. Professional Qualifications

Registration as a specialist in the Specialist Division of the Register of Medical Practitioners maintained by the Medical Council in Ireland in the specialty of general (internal) medicine.

2. Entry to competition and subsequent appointment

For the purposes of eligibility for entry to any competition or recruitment process associated with this post, a candidate must fulfil the eligibility requirements laid down in consultant appointment documents for the post.

The successful interviewee must be registered as a Specialist in the relevant specialty on the Specialist Division of the Register of Medical Practitioners maintained by the Medical Council of Ireland before taking up appointment. The candidate will be allowed a max of 180 calendar days from date of interview to secure this registration and produce evidence of special interest training where relevant.

Should the successful candidate not be registered as a Specialist at that time, the post may be offered to the next suitable candidate (or, in the case of HSE posts, the Public Appointments Service may choose not to recommend that candidate to the employer). Should no suitable candidate exist, a further recruitment process may be initiated.
