Details of Service

Healthcare delivery continues to evolve in response to changing population needs, service demands, and national healthcare reform initiatives including Sláintecare, The Emergency Medicine Programme, and A Trauma System for Ireland. University Hospital Waterford (UHW) is committed to developing innovative and integrated models of care that ensure patients receive timely, safe and effective treatment in the most appropriate setting.

The Emergency Department (ED) at UHW provides a comprehensive 24/7 service for c.80,000 adult and paediatric patients presenting with undifferentiated emergency and urgent care needs. Patients access the service via self-presentation, General Practitioner referral and emergency ambulance services. The department comprises a three-bay Resuscitation Area, 14 assessment and treatment cubicles, a 10-bay Ambulatory Care Unit, dedicated paediatric facilities, a five-bay Injury Unit and appropriate isolation facilities.

The ED delivers secondary emergency care for the local population and provides tertiary-level emergency and specialist services for patients across the South East region. A key feature of the service is the early streaming and allocation of patients to the most appropriate care pathway, supported by close collaboration with the Injury Unit and specialist services including Psychiatry, Ear, Nose and Throat (ENT), Ophthalmology, Obstetrics and Gynaecology, Orthopaedics and Paediatrics.

The department operates a Consultant-led, Consultant-delivered model of care. The medical team currently comprises eight whole-time equivalent Emergency Medicine Consultants (1 filled with Locum) with additional consultant support from sector hospitals, two Medical Officer x 1, 20 x middle-grade doctors (including 4 Specialist Registrars) and 15 Senior House Officers. The multidisciplinary team includes Advanced Nurse Practitioners, Clinical Nurse Managers, Clinical Nurse Specialists, staff nurses, Community Liaison Physiotherapy and Occupational Therapy services, together with dedicated administrative and clerical support.

UHW provides a comprehensive range of medical and surgical specialties on site. While Neurosurgery, Cardiothoracic Surgery and Plastic Surgery/Burns services are provided through regional networks, the hospital offers Interventional Cardiology (24/7) and full Radiology services alongside the full spectrum of medical specialties. Surgical services include General Surgery, Orthopaedic Surgery, Vascular Surgery, Colorectal Surgery, Urology, Ophthalmology and ENT. UHW is the Regional Cancer Centre and Regional Trauma Unit for the South East and has a strong emphasis on senior clinical decision-making at the point of presentation, supported by dedicated extended consultant presence across ambulatory, majors and resuscitation care areas.

In line with the recommendations of a Trauma System for Ireland, the designation of UHW as a Trauma Unit and the ongoing implementation of regional trauma bypass protocols continue to increase the volume and complexity of trauma presentations. The Emergency Department plays a central role in the assessment, stabilisation and coordination of care for injured patients,

working in partnership with multidisciplinary and specialty teams across the hospital. Emergency Medicine Consultants provide clinical leadership in the development and delivery of trauma services and wider emergency care pathways.

About this role
The Consultant in Emergency Medicine will provide clinical leadership within a Consultant-led, Consultant-delivered Emergency Department, supporting the delivery of safe, timely and compassionate care for patients presenting with urgent and emergency healthcare needs.

The postholder will contribute to the ongoing transformation of emergency care services, promoting innovation, quality improvement, patient flow and integrated models of care in line with Sláintecare principles and national Emergency Medicine objectives. The successful candidate will work collaboratively across specialties, professions and healthcare settings to ensure optimal patient outcomes and an excellent patient experience.

The Consultant will participate in the Department's Consultant roster and will play a key role in clinical governance, service development, education, training, research and the delivery of organisational objectives within University Hospital Waterford.

Reporting Relationship
The Consultant's reporting relationship and accountability for the discharge of their contract is:

i. to the Chief Executive Officer / General Manager / Master of the hospital (or other employing institution) through their Clinical Director (where such is in place). The Regional Executive Officer may require the Consultant to report to them from time to time.

ii. Clinical Director for Medicine.

iii. General Manager, University Hospital Waterford

Key Working Relationships
The Consultant in Emergency Medicine will work as part of a multidisciplinary and multi-professional team, maintaining effective working relationships with consultant colleagues, NCHDs, nursing staff, allied health professionals, hospital management and community partners.

The post holder will contribute to clinical leadership within the Emergency Department and will work closely with the Clinical Director, Chief Executive Officer, Operations Manager and departmental leadership team to support the strategic development of emergency care services.

The Consultant will provide supervision, mentorship and professional leadership to NCHDs and will actively contribute to education, training, quality improvement and clinical governance activities within the Department.

Working collaboratively across specialties and care settings, the post holder will support the development of integrated care pathways, timely patient access to appropriate services and the continuous improvement of patient flow throughout the emergency care system.

The Consultant will work with MMD in recruiting supervising and managing of the NCHD's working in and through the EM department.

THE SELECTION PROCESS

How to Apply
Applications should be made online through www.publicjobs.ie.

At publicjobs, we are transitioning to a new recruitment platform with the aim of enhancing our services and the candidate experience. The new service will give you more visibility and control of your application.

When accessing our new recruitment platform for the first time, candidates must register as a New User to create a profile (register a new account). To do so, please access the vacancy you wish to apply for on our Jobs Board by clicking on the title of the position. You will be brought to the vacancy where you can click on “Apply” in the right-hand section of our website, or at the bottom of the advertisement. Candidates who have not previously registered on our new recruitment platform will be required to enter some personal details to continue with their application. Account verification will be required, and you must check your email inbox and follow the instructions to verify your account. Please do not confuse registering (creating a profile) with submitting an application. Candidates who have already registered will have an account and should select ‘Login’ from the top right-hand section of the registration page or through the link at the bottom of the page.

Once registered and after your email address has been verified, you must then access the application form, ensure all sections of the application form are fully completed and submit it. To do this, you will be required to return to the vacancy you wish to apply for **Consultant in Emergency Medicine** on the jobs board on **www.publicjobs.ie** and click on “Apply”. This time, you should select the “Login” option in the top right-hand section of the Login Page. Your username is the e-mail address associated with your account. Please note that your username and password are case sensitive.

Please carefully note the following instructions. As you progress through the application, at the bottom of every page, there will be an option to “Save and Continue”. The information that you enter is only saved once you click on the 'Save and Continue' button. If you close the browser before clicking 'Save and Continue' or are inactive on the system for 30 minutes or more, you may be logged out of the application form and your information could be lost.
It is imperative that all sections of this application form are completed in full. The mandatory fields are marked with an asterisk *. These fields must be completed before you can submit the application form. You may save the form and come back to it later however, please note that you must submit the form in order to be considered for this competition as unsubmitted applications will not progress to the next stage.

All sections on the application form Progress Tracker must show a green checkmark before you can apply. Return to any section on the Progress Tracker missing a green checkmark where guidance on the missing information will be displayed. Please ensure all information is correct before submitting your application as no changes can be made after submission. Once you have submitted your application form, you will be brought to a page confirming the status of your application as “Application received”. You can view the status of your application at any time by logging in, selecting your name in the top right-hand section of the page and selecting “View all applications”. At this point you should consider adding @publicjobs.tal.net to your safe senders or contact list within your email account to avoid not receiving emails because a publicjobs email has been blocked.

Only fully completed and submitted applications will be accepted into the competition. The admission of a person to the competition, or invitation to undertake any element of the selection process is not to be taken as implying that the publicjobs or any other body is satisfied that such a person fulfils the requirements.

Visit the Help Centre if you have questions or encounter technical difficulties navigating the site

Only one application per person is permitted.

Closing date
Your application must be submitted on www.publicjobs.ie not later than **3pm, Thursday 10/09/2026.** If you do not receive an acknowledgement of receipt of your application within 24 hours of applying, please contact**: mcr1@publicjobs.ie**

Please note that any closing date may be extended at the discretion of publicjobs in agreement with the employing organisation, candidates will be informed should this occur.

Campaign updates will issue to your publicjobs.ie Message board after each selection stage.

You are advised to check your messageboard on a regular basis as email notifications of updates/tests/Interviews etc issued to your Messageboard may sometimes be filtered into your Junk/Spam email folders. You are also advised to check all these folders regularly.

The onus is on each applicant to ensure that they is in receipt of all communication from publicjobs.

publicjobs accept no responsibility for communication not accessed or received by an applicant.

Candidates should make themselves available on the date(s) specified by publicjobs and should make sure that the contact details specified on the application form are correct.

Please note
If publicjobs is not notified of any issues or problems you experience on the day of the tests/interview, we will not be in a position to address these after the fact.

Candidates with Disabilities
Attracting candidates from all sectors of society to ensure accessible routes to career opportunities is a key priority of publicjobs. We are committed to equality of opportunity for all candidates.

If you have **a disability or need reasonable accommodations made during the selection process, (e.g. for interview, assessments or exercises), we strongly encourage you to share this with us** so that we can ensure you get the support you need.

Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable a disabled candidate to have an equitable opportunity for this competition. **We can provide accommodations for any stage of the process, including online assessments, interviews or exercises**. Examples of adjustments we provide include the use of assistive technology, extra time, scribes and/or readers or a range of other accommodations.

Please be assured that having a disability or requiring adjustments will **not** impact on your progress in the selection process; you will not be at a disadvantage if you disclose your disability or requirements to us. Your disability and/or adjustments will be kept entirely **confidential**.

Should you be successful, the disclosure of a disability for this stage of the process will not be passed onto the employing department unless you request that we do so.
If you indicate on your application form that you require reasonable accommodations, you will have the following option:

A. If you have been provided with reasonable accommodations from publicjobs in the **last three years**, you should input the details of the most recent **competition** for which you were assigned accommodations along with your **Candidate ID**

OR

B. You will need to **upload a psychologist/medical report** as part of your application, which details your disability/requirements.

We require a report to better understand your disability and requirements. The report, in addition to your request, helps us determine what accommodations may be suitable for you, in the selection process.

The reports will only be shared with our Assessment Services Unit. In the reports, it is useful for us to see the outcome of any diagnostic tests conducted by your psychologist/doctor, and their summary of recommendations in relation to your requirements. You may **redact (block out)** parts of medical reports/psychologist's reports that you feel are sensitive or unnecessary for the decision to make reasonable adjustments.

Please do not email your medical/psychologist's report to us – it should be uploaded directly to your online application.

Should you have any difficulty with uploading your report, please contact **mcr4@publicjobs.ie**

publicjobs will ensure that your reasonable accommodations are implemented as necessary, for each stage of the recruitment process.

If you have any queries about the reasonable accommodations process or the accommodations you have received, please contact **asu@publicjobs.ie**.

If you wish to discuss any matter relating to the accessibility of our services or building, or if you require support from our **Disability Champion**, Amanda Kavanagh, please contact **edi@publicjobs.ie**

Diversity, Equality and Inclusion.
Employees of the HSE bring a range of skills, talents, diverse thinking and experience to the organisation. The HSE believes passionately that employing a diverse workforce is central to its success – we aim to develop the workforce of the HSE so that it reflects the diversity of HSE service users and to strengthen it through accommodating and valuing different perspectives. Ultimately this will result in improved service user and employee experience.
The HSE is committed to creating a positive working environment whereby all employees inclusive of age, civil status, disability, ethnicity and race, family status, gender, membership of the Traveller community, religion and sexual orientation are respected, valued and can reach

their full potential. The HSE aims to achieve this through development of an organisational culture where injustice, bias and discrimination are not tolerated.

The HSE welcomes people with diverse backgrounds and offers a range of supports and resources to staff, such as those who require a reasonable accommodation at work because of a disability or long term health condition.

Selection Methods
The selection may include:

- shortlisting of candidates on the basis of the information contained in their application, against set criteria based on the requirements of the position
- competitive preliminary interview
- completion of online questionnaire(s)
- presentation or other exercises
- a final competitive interview
- Any other tests or exercises that may be deemed appropriate

Shortlisting
The number of applications received for a position generally exceeds that required to fill existing and future vacancies. While a candidate may meet the eligibility requirements of the competition, if the numbers applying are such that it would not be practical to interview everyone, publicjobs may decide that a smaller number will be invited to the next stage of the selection process. publicjobs provide for the employment of a shortlisting process to select a group who, based on an examination of the application forms, appear to be the most suitable for the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. During shortlisting, an expert board will examine the application forms against agreed shortlisting criteria which are based on the requirements of the position. The standard of content of each application submitted may also be assessed during this process. The shortlisting criteria may include both essential and desirable criteria specified for the position and, it is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application. The onus is on candidates to complete the application form fully and accurately. In the case of competitions that may involve large numbers of candidates, candidates may be ranked on the outcome of their online assessment tests and will be shortlisted in accordance with their ranking. Applicants must successfully compete and be placed highest, to be considered for advancement to the next stage of the multistage selection process. The number to be invited forward at each stage will be determined from time to time by publicjobs.

Failure to include information regarding these requirements may result in you not being called forward to the next stage of the selection process.

References
Please provide details of 2 people who would be suitable referees and that we might consult (2 names and contact details). The referees do not have to include your current employer but should be in a position to provide a reference for you, these referees must be members of the profession, who directly supervised you. The referees should be able to provide relatively recent information on your performance and behaviour in a work context. Please be assured that we will only contact referees should you be invited to interview stage. Please note, should you be successful at interview, we will require a reference from your current employer prior to recommendation for appointment.

Admission to a competition
The admission of a person to a campaign, or invitation to attend an interview or a successful letter, is not to be taken as implying that publicjobs are satisfied that such person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.

Security Clearance
You will be required to complete and return a Garda eVetting form should you come under consideration for appointment. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which you resided. If you subsequently come under consideration for a position in another recruitment competition within 6 months of being vetted by publicjobs, please notify us as you may not be required to complete a further Garda Vetting Form.

If you have resided / studied in countries outside of the Republic of Ireland for a consecutive period of 12 months or more after the age of 18, it is mandatory for you to furnish a Police Clearance Certificate from those countries. You will need to provide a separate Police Clearance Certificate for each country you have resided in. The clearance must be dated after the date you left the country. It is your responsibility to seek security clearances in a timely fashion as they can take some time. You cannot be appointed without this information being provided and deemed satisfactory by publicjobs.

Candidates should be aware that any information obtained in the Garda Vetting process can be made available to the employing authority.

Candidates will be responsible for any expense incurred in connection with obtaining any Police Clearance Certificates.

EXPOSURE PRONE PROCEDURE POSTS
Pre-employment medical screening of health care workers, who perform Exposure Prone Procedures (EPP's) as part of their work, is carried out in accordance with Department of Health Guidance 2005. This guidance is contained in the Department of Health's Document 'Prevention of Blood Borne Diseases in the Health-Care Setting'. This document can be obtained at **www.dohc.ie** or by contacting the Department of Health (00353-1-6354000)

The successful candidate must provide satisfactory documentary evidence that they is not an infectious carrier of the Hepatitis B or Hepatitis C virus. Such documentation would include an

original laboratory report or a certified copy (photocopies, faxes, e-mails not acceptable) showing

- Hepatitis B surface antigen (HBs Ag),
- Hepatitis B anti-core antibody (anti- HBc)
- Anti- Hepatitis B surface antibody (Anti HBs).
- Antibodies to Hepatitis C virus and if positive for Hepatitis C virus RNA.

Testing must be done by a designated occupational health service provider which will be determined by publicjobs. Applicants will bear no expense for this testing. Additional visit(s) may be required depending on the test results.

Candidates who are successful at interview may not be made a job offer if they are found to be at risk of potentially transmitting infection to patients, or alternatively they may be appointed subject to certain conditions.

While the guidance does not currently recommend HIV testing at present, it re-iterates Irish Medical Council Ethical Guidelines that any healthcare worker who suspects that s/he may have been exposed to blood borne viruses through work or other risk behaviours must seek professional advice and diagnostic testing. Your attention is drawn to this.

Enquiries
Prior to recommending any candidate for appointment to positions publicjobs or employing organisation will make all such enquiries that are deemed necessary e.g. employer references, to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Specific candidate criteria
In addition to fulfilling the eligibility criteria set out, candidates must:

- Have the knowledge and ability to discharge the duties of the post concerned;
- Be suitable on the grounds of health & character;
- Be suitable in all other relevant respects for appointment to the post concerned;
- If successful, they will not be appointed to the post unless they:
    - Agree to undertake the duties attached to the post and accept the conditions under which the duties are, or may be required to be performed; and
    - Are fully competent and available to undertake, and fully capable of undertaking, the duties attached to the position

Non-Refund of Expenses
Any expenses incurred by candidates whilst undertaking or attending any elements of the selection process will not be refunded.

Deeming of candidature to be withdrawn
Candidates who do not attend for interview when and where required, or do not, when requested, furnish such evidence as required in regard to any matter relevant to their candidature, will have no further claim to consideration.

Appointments from panels
Successful candidates will be placed on a panel from which future vacancies may be filled. Panels usually remain valid for 18 to 24 months, (this is determined at the discretion of publicjobs), from the date of creation or until such time as the panels have been cleared, whichever is the sooner. Placement on a panel is not a guarantee of appointment to a position.

Declining an offer of appointment
Should the person recommended for appointment decline, or having accepted it, relinquish it, or should additional similar vacancies arise, PAS may at its discretion, select and recommend another person for appointment on the results of this selection process.

Confidentiality
Subject to the provisions of the Freedom of Information Act 2014, and any security clearance and/or enquiries, all aspects of the proceedings, to the extent that they are managed by publicjobs or employing organisation, are treated in strict confidence and are not disclosed to anyone outside those directly involved in the selection process.

Quality Customer Service
publicjobs aims to provide an excellent quality service to all our customers. If, for whatever reason, you are unhappy with any aspect of the service you receive from us, we urge you to bring this to the attention of the unit or staff member concerned. This is important as it ensures that we are aware of the problem and can take the appropriate steps to resolve it.

General Data Protection Regulation (GDPR)
The General Data Protection Regulation (GDPR) came into force on the 25th May 2018, replacing the existing data protection framework under the EU Data Protection Directive.

When you register with publicjobs.ie or submit an application for a competition, we create a computer record in your name. Information submitted with a job application is used in processing your application. Where the services of a third party are used in processing your application, it may be required to provide them with information, however all necessary precautions will be taken to ensure the security of your data. If you are successful in the recruitment and selection competition, your application may be made available to the Human Resources section of the organisation to which you have been assigned.

To make a request to access your personal data please submit your request by email to: **dpo@publicjobs.ie** ensuring that you describe the records you seek in the greatest possible detail to enable us to identify the relevant record(s).

Information in relation to a candidate's personal data held by publicjobs are set out on the Data Protection page of **www.publicjobs.ie**.

Protected Disclosures
The PAS Protected Disclosures Policy (including Reporting Options for all those covered by the Policy) is available at:

https://www.publicjobs.ie/documents/transparency/publicjobs_Protected_Disclosures_Policy_2025_Final…

Use of Recording Equipment
PAS does not allow the unsanctioned use of any type of recording on its premises or any location where assessments/tests/interviews, etc. take place, e.g. video interviews, teleconference. This applies to any form of sound recording and any type of still picture or video recording, whether including sound recording or not, and covers any type of device used for these purposes. Any person wishing to use such equipment for any of these purposes must

seek written permission in advance. This policy is in place to protect the privacy of staff and candidates/clients and the integrity of our assessment material and assessment processes. Unsanctioned use of recording equipment by any person is a breach of this policy. Any candidate involved in such a breach could be disqualified from the competition and could be subject to prosecution under section 55 of the Public Service Management (Recruitment & Appointments) Act, 2004.

Eligibility to compete

The HSE welcomes applications from suitably qualified resident and non-resident Non-EEA Nationals and will support successful candidates in their application for a Work Permit as applicable.
For further information regarding work permits please visit the Department of Enterprise, Trade & Employment website

Review and Complaint Procedures under the Code of Practice for Appointments to Positions in the Civil and Public Service

If a candidate is unhappy following the outcome of any stage of a selection process, they can either:

1. Request a **Review of a decision** made during the process

Or

2. **Make a Complaint** that the selection process followed was unfair

A candidate can follow either one of the two procedures in relation to the same aspect of a selection process, but not both. Where a review of a selection process has taken place under Section 7 (as detailed below), a complainant may not seek a further review of the same process under Section 8, other than in the most exceptional circumstances that will be determined by the Commission for Public Service Appointments (CPSA) **at its sole discretion.**

There is no obligation on PAS to suspend an appointment process while a Review or Complaint is being considered. However, the CPSA expects that, where possible, PAS will intervene in cases where it finds an error is likely to have occurred.

Requesting a Review under Section 7

A request for review may be taken by a candidate should they be dissatisfied with an action or decision taken by publicjobs. PAS will consider requests for review in accordance with the provisions of **Section 7** of the Code of Practice for Appointments to Positions in the Civil and Public Service published by the CPSA.

When making a request for a review, the candidate must support their request by outlining the facts they believe show that the action taken or decision reached was wrong. A request for review may be refused if the candidate cannot support their request.

The Informal Review will consist of a desk-based examination of any available information in relation to the recruitment process and the decision taken regarding the candidate's application. The outcome of the Informal Review Process will be communicated to the requester in writing.

- A request for Informal Review must be made within 5 working days of notification of the decision, and will normally take place between the candidate and a representative of the PAS who had played a key role in the administration of the selection process.

- Where a candidate remains dissatisfied following any such informal communication, they may adopt the formal procedures set out below.

A request for Formal Review must be made within 5 working days of either the notification of the selection decision, or the notification of the outcome of the Informal Review process. Any extension of these time limits will only be granted in the most exceptional of circumstances and will be at the sole discretion of the Chief Executive.

- The candidate must address their concerns in relation to the process in writing to the Chief Executive (via email to **ceomailbox@publicjobs.ie**, or in writing to Chief Executive Officer, Public Appointments Service, Chapter House, 26/30 Abbey Street Upper, Dublin 1), outlining the facts that they believe show an action taken or decision reached was wrong.
- The Formal Review will be conducted by a person who is completely independent of the selection process
- The outcome of the Formal Review must generally be notified to the candidate within 25 working days of receipt of the request for review. If the investigation does not produce a decision within this time, PAS must keep the candidate informed of the status of the review and the reasons for the delay.

Making a Complaint under Section 8

A candidate may believe there was a breach of the Commission's Code of Practice by PAS that may have compromised the integrity of the decision reached in the appointment process. The complaints process enables candidates to make a complaint under **Section 8** to PAS in the first instance, and to the Commission for Public Service Appointments subsequently on appeal if they remain dissatisfied.

On foot of a Section 8 Complaint process, either PAS or the CPSA may find that the recruitment and selection process in question has not adhered to the standard set out in the Code of Practice. In such cases, PAS and the CPSA may make recommendations in order to prevent such issues from reoccurring again in the future. **The CPSA cannot instruct PAS to reverse a decision taken in the course of an appointment process.** Any candidate wishing for an investigation into the decision taken regarding their application as part of a selection process should request a Review under Section 7, as outlined above.

The complainant must outline the facts that they believe show that the process followed was wrong. The complainant must also identify the aspect of the Code they believe has been infringed and enclose any relevant documentation that may support the allegation. A complaint may be dismissed if they the complainant cannot support their allegations by setting out how publicjobs has fallen short of the principles of this Code.

The Informal Complaint will consist of a desk-based examination of any available information in relation to the recruitment process. The outcome of the Informal Complaint will be communicated to the requester in writing.

- An Informal Complaint must be made within 5 working days of notification of the decision, and will normally take place between the candidate and a representative of the PAS who had played a key role in the administration of the selection process.
- Where a candidate remains dissatisfied following any such informal communication, they may adopt the formal procedures set out below.

A Formal Complaint must be made within 5 working days of either the notification of the selection decision, or the notification of the outcome of the Informal Complaint. Any extension of these time limits will only be granted in the most exceptional of circumstances and will be at the sole discretion of the Chief Executive.

- The candidate must address their concerns in relation to the process in writing to the Chief Executive (via email to **ceomailbox@publicjobs.ie**, or in writing to Chief Executive Officer, Public Appointments Service, Chapter House, 26/30 Abbey Street Upper, Dublin 1), outlining the facts that they believe show an action taken or decision reached was wrong.
- The Formal Complaint will be investigated by a person who is completely independent of the selection process
- The outcome of the Formal Complaint must generally be notified to the candidate within 25 working days of receipt of the request for review. If the investigation does not produce a decision within this time, PAS must keep the candidate informed of the status of the review and reason for the delay

For further information on the above Review and Complaint procedures please see the *Code of Practice for Appointments to Positions in the Civil and Public Service* which is available on the website of the Commission for Public Service Appointments, www.cpsa.ie

Requests for Feedback
Feedback in relation to the selection process is available on request. There are no specific timeframes set for the provision of feedback
Please note that the Review Process as set out in the Code of Practice is a separate process with specified timeframes that must be observed. Receipt of feedback is not required to invoke a review. It is not necessary for a candidate to compile a detailed case prior to invoking the review mechanism. The timeframe set out in the CPSA Code cannot be extended for any reason including the provision of feedback.

During the interview, the PAS Representative will maintain the official record. This involves taking an objective note of questions asked by board members and of the key points/words from candidate answers. While a verbatim account is not expected, the record may be used as an aide-memoire e.g. when evaluating/reflecting back on candidates after the interview; evidence and justification for decisions made; used in the case of a review, appeal or challenge. These notes are releasable to candidates on request.

Following on from each candidate's interview the PAS Representative will record a summary comment representing the consensus view of the Board. The purpose of this summary comment is to provide clear and concise feedback on a candidate's performance at the interview. This must relate to the candidate strengths/ weaknesses as assessed against the key criteria covered at interview. This comment provides specific and meaningful feedback on each candidate reflecting the marks awarded, however, it is not intended to be a mechanism for providing developmental guidance or advice for the candidate. This comment is particularly important where the candidate has been unsuccessful, or whose placing is unlikely to be reached. When requested, this comment will be used to facilitate feedback by PAS to the candidate.

Candidates' Obligations:
Candidates in the recruitment process must not:

- knowingly or recklessly provide false information
- canvass any person with or without inducements
- interfere with or compromise the process in any way

A third party must not impersonate a candidate at any stage of the process

Contravention Code of Practice
Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, if a person found guilty of an offence was, or is a candidate at a recruitment process,

- they will be disqualified as a candidate and excluded from the process;
- has been appointed to a post following the recruitment process, they will be removed from that post.

Candidates should note that canvassing will disqualify
